

HOW

Health Centers & Clinics Get

FREE MEDICINE

1,300 Direct Relief health center and clinic partners receive product offers that include medications, personal care products, over-the-counter items, and supplies available free of charge. [HERE'S HOW >](#)

ELIGIBLE HEALTH CENTERS AND CLINICS APPLY. Nonprofit status, physician license, and shipping information is verified prior to partnership approval.

ALL PRODUCTS ARE DONATED BY PHARMACEUTICAL COMPANIES and screened for appropriateness and quality.

Partners **RECEIVE AN EMAIL** when free products are available, and log in to the Direct Relief Network to **PLACE A REQUEST.**

> [NETWORK.DIRECTRELIEF.ORG](https://network.directrelief.org)

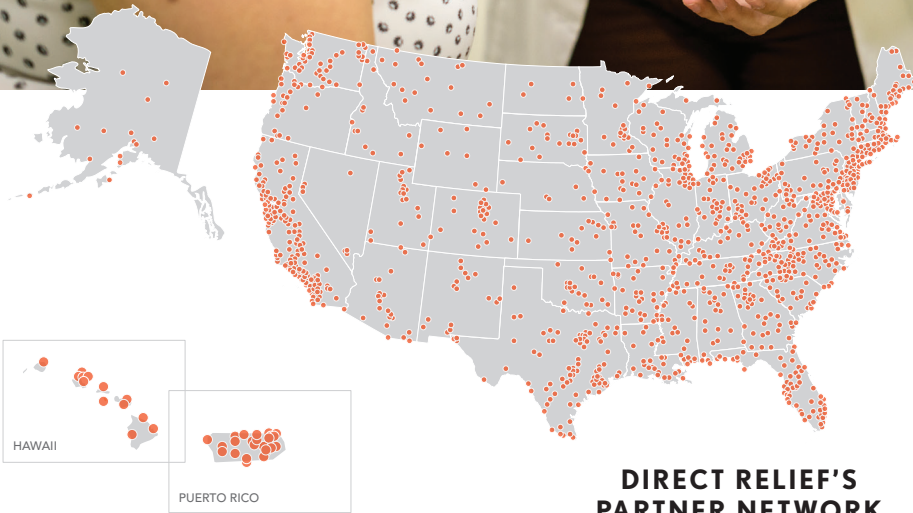

Direct Relief **PHARMACISTS REVIEW** all requests and adjusts as necessary based on availability and the information provided about your facility.

Products are **DELIVERED BY FEDEX FREE OF CHARGE** so your facility does not incur any shipping expenses.

DIRECT RELIEF ASKS QUESTIONS TO GAIN INFORMATION ABOUT YOUR FACILITY. These questions help us place the right products and quantities with your health center or clinic.

Direct Relief supports nonprofit community health centers and clinics that provide care to underserved and uninsured patients regardless of their ability to pay. Our network of over 1,300 partners include FQHCs, free and charitable clinics, community clinics, Public Health Departments, charitable pharmacies, medically focused camps, and other agencies supporting those in need.

NOTE REGARDING RETURNS:

All expired or overstocked prescription medications donated by Direct Relief must be returned to Direct Relief for disposal. Visit > Network.DirectRelief.org to download a Return Authorization Form available from the homepage.
